Election Guide

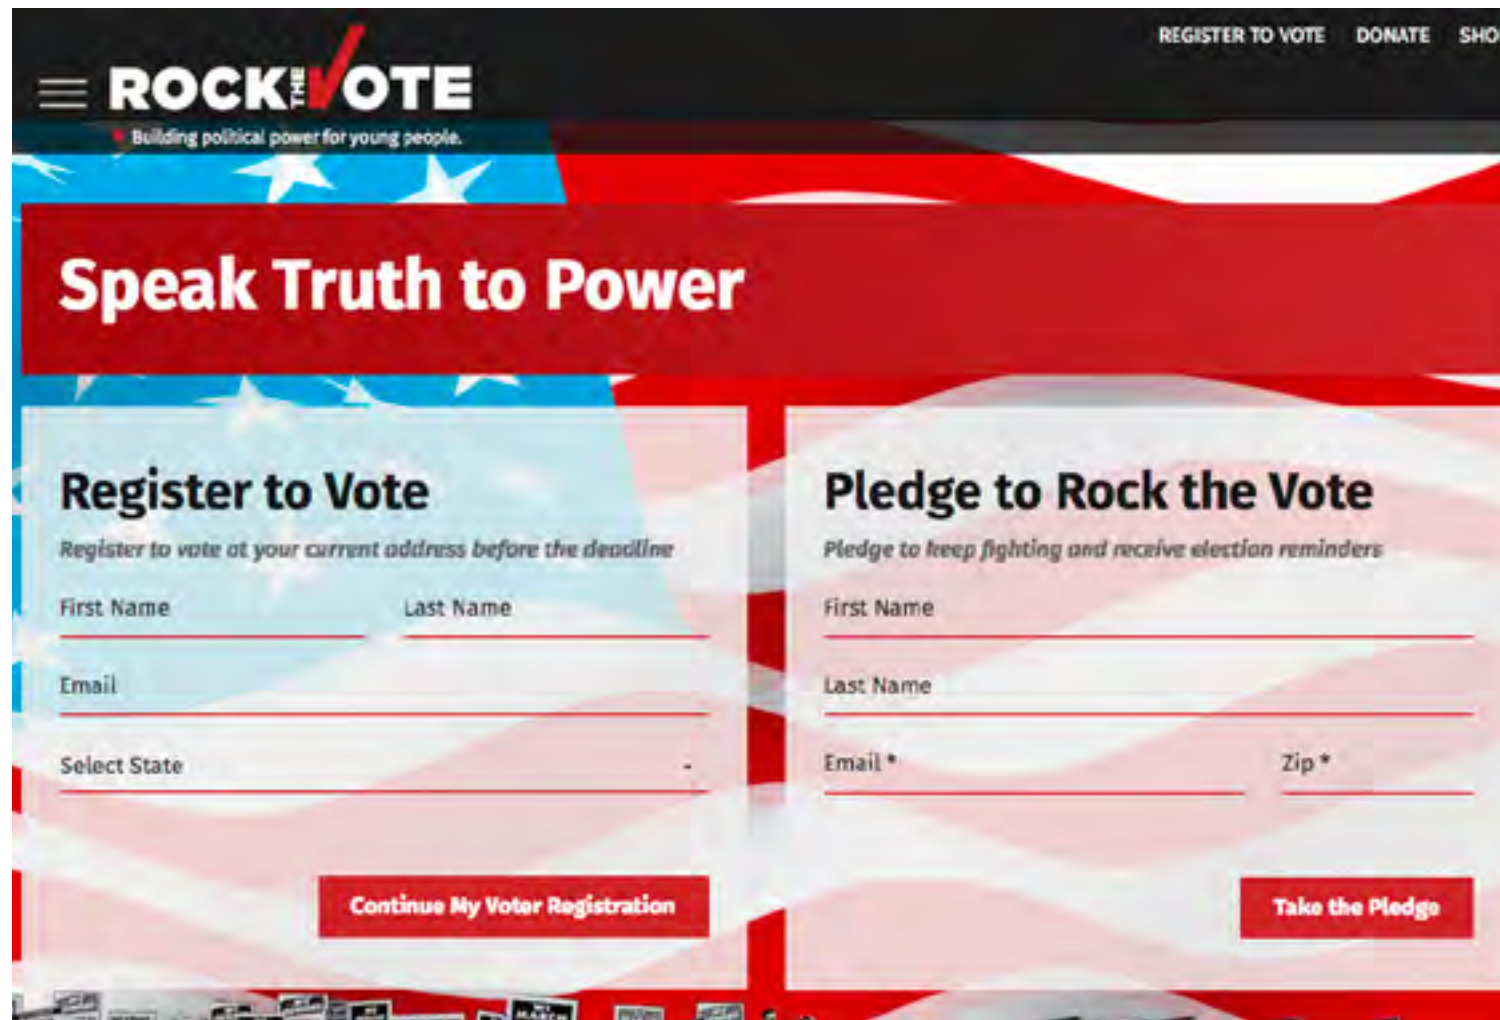

Navigation

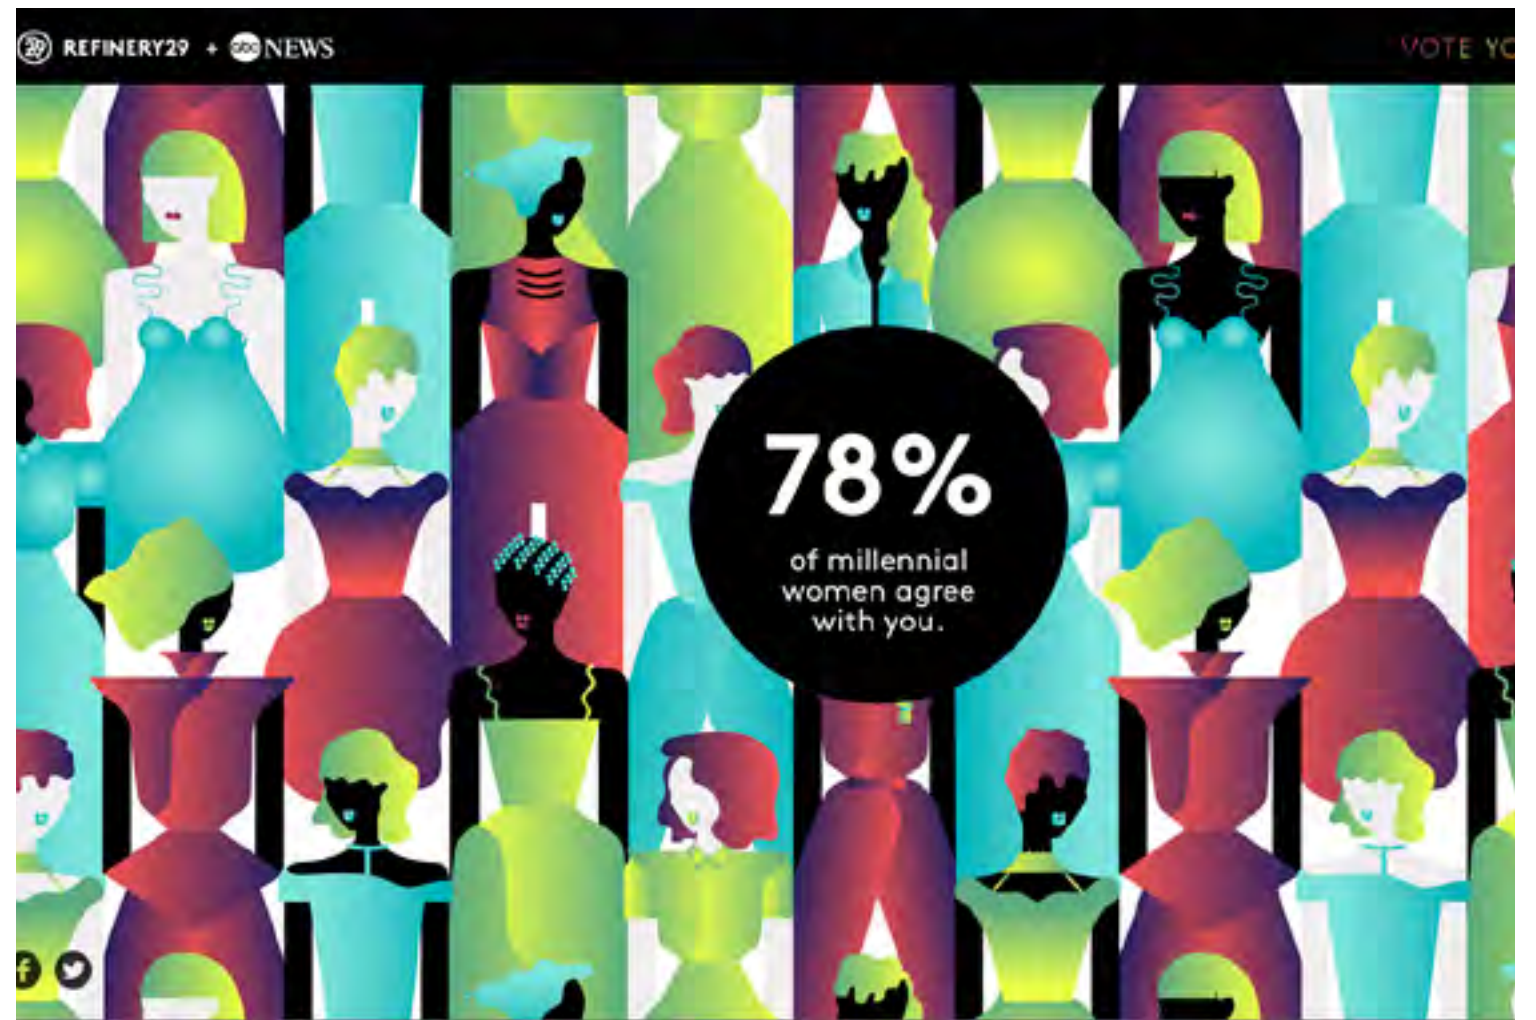

Goal

To make politics easier to understand and hopefully get people interested in voting.

Big Idea #2

Hook Up With a Nonprofit

"I'm with **VOYCE** (Voices of Youth in Chicago Education), which raises awareness of issues that are important to me, such as education and racial justice. Recently we met with state legislators about a bill to end the school-to-prison pipeline [where zero-tolerance policies push kids into the prison system]. I love that my voice can be heard." –**Jamara, 15, Chicago, IL**
